NAKASUJJA GERTRUDE	21/U/07445/EVE
ASIIMIRE PATRICIA	21/U/19271/PS

MOBILE PROGRAMMING PROJECT MINUTES OF THE MEETING HELD ON 23rd Feb, 2024 BY GROUP MEMBERS

Agenda

1. Opening prayer.
2. Discussion among members.
3. Conclusion.
4. Closing prayer.

MINUTE 01/04: OPENING PRAYER

The opening prayer was led by Asiimire Patricia who thanked the lord for our lives, education and enabling us meet as group members.

MINUTE 02/04: DISCUSSION AMONG MEMBERS

The meeting was held at Asiimire Patricia's place of residence since she was not feeling well and unable to move.

Nakasujja Gertrude took us through understanding the task as given by the lecturer. That is Design and implementation of a basic calculator using Android studio with Kotlin.

Tukwasiibwe Martin suggested the design of the calculator to be implemented which was accepted by all members.

MINUTE 03/04: CONCLUSION

It was concluded that we meet again the next day to implement the design and functionalities of the design to be done in the course of the remaining period.

MINUTE 0/04: CLOSING PRAYER

The closing prayer was said by Tukwasiibwe Martin and the meeting was adjourned at midday.

MOBILE PROGRAMMING PROJECT MINUTES OF THE MEETING HELD ON 1ˢᵗ March, 2024 BY GROUP MEMBERS

<u>Agenda</u>

1. Opening prayer.
2. progress review and discussion.
3. Conclusion.
4. Closing prayer.

MINUTE 01/04: OPENING PRAYER

Tukwasiibwe Martin gave an opening prayer.

MINUTE 02/04: PROGRESS REVIEW AND DISCUSSION

This meeting took place at the University Hospital since Asiimire Patricia's condition led to her being hospitalized. We discussed the progress of our design and implementation and decided to push the project to GitHub.

It was agreed that we finalize implementation in the remaining period of the week.

MINUTE 03/04: CONCLUSION

It was concluded that each member would be pulling the project and and the calculator functionalities in the due time.

MINUTE 0/04: CLOSING PRAYER

The closing prayer was said by Nakasujja Gertrude who adjourned the meeting.

MOBILE PROGRAMMING PROJECT MINUTES OF THE MEETING HELD ON 8th March, 2024 BY GROUP MEMBERS

<u>Agenda</u>

1. Opening prayer.
2. Discussion among members.
3. Conclusion.
4. Closing prayer.

MINUTE 01/04: OPENING PRAYER

Asiimire Patricia welcomed all the members and gave an opening prayer thereby thanking the lord for yet another chance of meeting as group members and asked for the wisdom to enable us accomplish the project in time.

MINUTE 02/04: DISCUSSION AMONG MEMBERS

Tukwasiibwe Martin opened the discussion and welcomed everyone, through Mobile Programming Project 2024 task and asked the rest of the members if they understood the task requirements.

Nakasujja Gertrude suggested that we shall need to use Android Studio to accomplish the task since we had used it before in the previous Calculator App assignment.

Asiimire Patricia suggested that we divide smaller tasks and each member be assigned specific tasks with timelines in order to complete the project ahead of time.

Being a public holiday, Tukwasiibwe Martin suggested that members meet again on Saturday to come with the app requirements, design the app interface and divide tasks to implement app functionalities.

MINUTE 03/04: CONCLUSION

It was concluded that Saturday was ideal for the members to meet and work on creating the app interface and task division.

MINUTE 0/04: CLOSING PRAYER

Tukwasiibwe Martin gave the closing prayer and the meeting was adjourned.
